This is an experience you don't want to miss!

What: An authentic experience exploring the natural and cultural splendor around Pawley's Island, SC.

Where: The Sea View Inn: A rustic, beach side Inn, where bare-foot is the norm, located on a 4 mile long barrier Island on the SC coast one hour north of Charleston and thirty minutes south of Myrtle Beach.

There is nothing commercial here, no cell phones, computers, shopping malls, just laid-back paradise. You get three delicious meals a day of authentic southern food cooked and served by the same amazing, homegrown staff who have remained at the Inn for many, many years.

What is unique? Guided day trips to explore the natural beauty in the surrounding areas to interpret the incredible flora, fauna, and cultural heritage that most never see. Nightly fireside demonstrations, story telling, and live music. Light adventure designed for nature lovers with or without kids.

Whats in it for the kids? Live music and workshops led by Ian Sanchez. Beach walks and shelling. Kid friendly kayaking and exploring adventures. Nightly nature demonstrations and ghost stories. Natural entertainment of a beautiful beach

AGENDA (Some of the day trips will be kid friendly while others will be just for adults while the children are entertained at the Inn and beach by Ian Sanchez)
